[part 1 - Wilson / part 2 (instrumental) - Barbieri, Edwin,
Maitland, Wilson]

You think I deserve this
You said I was stupid
All my thoughts are like coal
But Russia on ice is burning a hole

Can't stop myself drinking
Can't stop being me
If I call will you come and will you save me ?

I see the whole thing come down
I blow it to the ground
Well what the hell did you say ?
You said you hate me this way
It's just a matter of time

A drop in the ocean
A significant motion
Nothing melts in this cold
But Russia on ice is burning a hole
