Lyrics - Alan Duffy

Music - Steven Wilson

The first thing that I saw as,  
the fisherman smiled at me  
Were empty people dressed in grey,  
floating out to sea  
The rain lashed down in darkness  
A lizard blinked an eye  
And time stopped in the silence  
The small fish gave a cry

The next thing that I saw as,  
things were fading fast  
Were dreams of children's laughter,

smouldering to dust  
The rain lashed down in darkness  
A lizard blinked an eye  
And time stopped in the silence  
The small fish gave a cry

The last thing that I saw as, my life passed by  
Were fields of empty people, laying down to die  
The rain lashed down in darkness  
A lizard blinked an eye  
And time stopped in the silence  
To watch the burning sky.
