Always in my thoughts you are
Always in my dreams you are
I got your voice on tape
I got your spirit in a photograph
Always out of reach you are

Cold inside my arms you are
Simple like a child you are
I remember when you took my hand
And led me through the rain
Down inside my soul you are

The more I show the way
I feel the less I find you give a damn
The more I get to know
The less you find that I understand

Innocent, the time we spent
Forgot to mention we're good friends
You thought it was the start of something beautiful?
[Incomprehensible]

Mother lost her looks for you
Father never wanted you
I trust to love and then
I find you never really felt the same
There's something in your heart so cruel

The more I show the way
I feel the less I find you give a damn
The more I get to know
The less you find that I understand

Innocent, the time we spent
Forgot to mention we're good friends
You thought it was the start of something beautiful?
[Incomprehensible]

The more I show the way
I feel the less I find you give a damn
The more I get to know
The less you find that I understand

Innocent, the time we spent
Forgot to mention we're good friends
You thought it was the start of something beautiful?
[Incomprehensible]
