[Puff Daddy]

I thought I told you that we won't stop

I thought I told you that we won't stop

I thought I told you that we won't stop

I thought I told you that we won't stop

Eh eh, eh eh

I thought I told you that we won't stop

I thought I told you that we won't stop

eh eh, eh eh

I thought I told you that we won't stop

I thought I told you that we won't stop

Check it out

[Notorious B.I.G.]

Je-sus the notorious just

Please us with your lyrical thesis

We just chillin milk em top billin

Silk and pure linen, me and little Ceas

Malibu sea breeze, Dom P's, palm trees,

Cats lay low like Paublo in milked out diablos

The Williest, bitches be the silliest

The more I smoke, the smaller the phillie gets

Room 112 where the players dwell

To stash more cash than Burn and Hale

Inhale make you feel godd like Tony Toni Tone (feels good)

dig up in your middle like Monie (yeah)

Don't know but your settin up to blow me

Try to style, Fly up north with a homey (Yes)

It's style is dondatta

Playas stay splurgin' game so tight they call it virgin

[112]

Oh I need to know where we stand

Do we share this special thing called love

I know I do, what about you

I just can't get enough of the time

I need you in my life

Where do we go

What do I do

I can't live without your love

Thinkin' of you, makes me feel

Like I am the only one for you

Girl I want to be with you
No one else, only you
Why can't we just make it happen
Baby, I need you in my life
Every time I'm with you
Never want it to come to an end
(thought I told you that we won't stop)
You always make me so happy
You'll always have a place in my heart
I need you in my life
Where do we go
What do I do
Cause I can't live without your love
Thinkin' of you, makes me feel
Like I am the only one for you
[Mase]
Now you can hum all you want to
Cum all you want to
Money I'm a front you
Girl I wanna flaunt you
I'm always want you
when nobody wants you
If I die now my love will still haunt you
Mase ain't the one that will pay for your phone
Mase be the one that will take you home
Even though I'm not the one that gave you the stone
All you nights alone I could make you moan
Everybody know I got more bounce than the ounce
Bad boy get more money than you can count
Why I'm buying things you can't even pronounce
I'd do it to your cat for a large amount
And when the beef come you know where to be found
Why I be around till the winner is announced (*Puff :
The winner is...*)
So there ya go girl with thousands in ya palms
Why you can't let by gones be by gones
[112]
Where do we go
What must I do
If I can't live without your love
Thinkin' of you, makes me feel, baby
Like I am the only one for you
Girl I want to be with you
No one else, only you
Why can't we just make it happen
Baby, I need you in my life
[Puff Daddy]
I thought I told you that we won't stop
I thought I told you that we won't stop
I thought I told you that we won't stop
I thought I told you that we won't stop

Eh eh, eh eh
I thought I told you that we won't stop
I thought I told you that we won't stop
eh eh
I thought I told you that we won't stop
I thought I told you that we won't stop
