Hello, hello, hello, hello  
Hello, hello, hello, hello  
Hello, hello, hello, hello  
Hello, hello  
Where is your next show?  
In Honolulu  
Where is your next show?  
In Honolulu  
Where is your next show?  
In Honolulu  
Do we get to go there for free?  
Oh yes we do  
But not with you  
Oh yes we do  
But not with you  
Oh Everett True  
Where are you?  
Who is gonna put in our tape-deck?  
Who is gonna carry the bass-amp?  
Who is gonna buy us a van?  
I could be you  
It will come true...oh
