All the guys
That really have the money
Are too old
To have a good time with it

All the guys
That really have the money
Are too old
To have a good time with it

Too old to turn the women on
Too old to have a fast car and drive it

All the guys
That really have the money
Are too old
To have a good time with it

All the guys
That really have the money
Are too old
To party or get dirty

Too old to turn the women on
Too old to have a fast car and drive it
