Good Gods
Don't take away
My father
Give him back his legs
Don't take away his heart
Don't trade away
His sun
His mind
His family

Good Gods
Don't take away
My father
Give him back his legs
If you can't help him
Then you can take me
His son
His mind
His heart

I'm his family
I'm his family
I'm his family

I wanna shark mark on my skin
Make it where I can see him
Fall of health and hungry
I want a shark mark on my skin
Make him fast
Make him swim
He was raped and died lonely
Urge!
Give me urge!
Give me urge!

His eyes say "kill" to look at
Trust no man he mean as sin
Shame won't make you desperate
feels like it's eterninty
Always leaning and desperate
Give me urge!
Just give me urge!

Urge!
