I like to watch her sway
She's luck before I'm going away
I wonder what she thinks about herself
She is mine and no one else's

She turns the knife around (she turns the knife around)
I watch her run it down her side (I watch her run it down
her side)
Kisses my fingers when I go by (Kisses my fingers
when I go by)
(See my mother in her eyes) See my mother in her eyes

Oh, Kim
(Kimberly Austin)

I like to watch her sway (I like to watch her sway)
She's luck before I'm going away (She's luck before I'm
going away)
I like what she sees in herself
Gives me all of her confidence
