Tonight, tonight
It all began tonight
I saw you and the world went away

Tonight, tonight
There's only you tonight
What you are, what you do, like you say

Tonight all day I had a feeling
A miracle would happen
I know now, I was right
For here we are
And what was just a world is a star
Tonight, tonight, tonight

Tonight all day I had a feeling
A miracle would happen
I know now, I was right
For here we are
And what was once world is a star
Tonight, tonight, good night
(Good night) Good night
