Chorus:

Durag dollars the clique
That's what it is, that's what you get
That dude rag dynasty shit
Dollars eclipsed, gorillas strength militant clique,
That's what you get!
That durag dynasty shit!
Durag dollars the clique
That's what it is, that's what you get
That dude rag dynasty shit
Dollars eclipsed, gorillas strength militant clique,
That's what you get!
That durag dynasty shit!

Introduction, let's get this bitch dropping!
It's on again!
The AK 47 MC it's just been born again
Live and direct, live on the set
Minds on the deck, lines on your neck, nine... to take
Grind for them M, shine on them dim
Light minded, swine rappers sin, but my clique is...
We pick machine guns automatically autographing you
Cardio-vascular smashing you!
No pensions for bad attention to capture you
... proof, it showed you what that will do!
Felt new? Knew what you was asking for, but that's
bad!
Catch me about that...
Bagging up that cash is classical... but natural
Durag dynasty international!
Shoot them up? Who the fuck is gassing you?
Do these nuts, the hours overpower you...
Fuck it with us, must be sipping flower crust!

Chorus:

Durag dollars the clique
That's what it is, that's what you get
That dude rag dynasty shit
Dollars eclipsed, gorillas str militant clique,
That's what you get!
That durag dynasty shit!

Durag dollars the clique
That's what it is, that's what you get
That dude rag dynasty shit
Dollars eclipsed, gorillas strength militant clique,
That's what you get!
That durag dynasty shit!

Straight out the orphanage, slay sling contortionist
Poison this, reincorporate it!
Father, the less fortunate
Fight a musical sorceress
Sick, suzerain psycho murdered machine riffle
Sip, ... lean, leave you like iPhone!
I had to worship my vital verses
Spinal cautious and proper adequate,
Predicate with a larger purpose!
Move mountains, water that youth fountain
Open the X file, and kick truth like Malcolm!
Fling power like ..., don't doubt him!
We get the drop on... to start re-round 'em!
... God shouts:
"Go get 'em Titan! We'll leave you chopped out!"
So what you mother fuckers talking about?

Chorus:

Durag dollars the clique
That's what it is, that's what you get
That dude rag dynasty shit
Dollars eclipsed, gorillas str militant clique,
That's what you get!
That durag dynasty shit!
Durag dollars the clique
That's what it is, that's what you get
That dude rag dynasty shit
Dollars eclipsed, gorillas strength militant clique,

Hold position, I'm about to flow from the soul of
ambition
But... is crawling and the... sole doctor physician
The proper uses, chooses old truces, kidnap and...
Heavy weight, brain train harder than...
Smoke weedies like... to break records in rap Olympics
Faster than a minute, longer than infinite
Somewhere in between... all schizophrenics in mental
clinics
Beware! I weave dreams falling from mental satires
Land on Elm street and murder Freddie in his
nightmare
Is it drop by, the neighbourhood so far

The elevated evasive, rob a Matrix hologram high far!
Blu-ray, DVD, E=mc2
A million rappers like IÂ'm using myÂ...
And poor... easy Lord, to aÂ...
Like your momma when she used to rip your ass with
the stenchy chords.

Chorus:

Durag dollars the clique
ThatÂ's what it is, thatÂ's what you get
That dude rag dynasty shit
Dollars eclipsed, gorillas str militant clique,
ThatÂ's what you get!
That durag dynasty shit!
Durag dollars the clique
ThatÂ's what it is, thatÂ's what you get
That dude rag dynasty shit
Dollars eclipsed, gorillas strength militant clique,
ThatÂ's what you get!
That durag dynasty shit!
