"Good-Bye"

Slowly we grow old
And the days they melt away like snow
Memories and dreams we wont let go
Take them and off you go

Now I know all about the blues
Wait until There's nothing to loose
Oh i miss you
Would you come home soon

I love you untill i die
I wont cry
You make me sight
Good-bye

Looks like your on your own
Im sorry that theres noone home
You see the light and he say's lets go
You Shed a tear and Say Good-bye

I Love you untill i die
I wont cry
You make me sigh
Good-By
