Kore ijou hanashitemo nanimo umarenai yo
Atou wa boku no hoho naguru ka dete yuku ka sa
Kimi ni ketobasareta gitaa ga meiwaku sou ni iu yo
"Ubai au you ni motometakara, nee"

Dou ka, oshiete boku no nani wo shiteru
Dou ka, oshiete kono yume ga
Saigo ni anjishitaimi dake

Kowareta ai no kakera hiroi atsumeru you ni
Yurushite konna boku wo waratte yurusanakute ii yo
Bokura te no naka ni naimono kazoe sugiteita
Nanimo iranai to omotteta no ni, ne

Dou ka, oshiete boku no nani ga hoshii no?
Dou ka, oshiete doushite darou?
Naze daka kono hen ga itai yo...

Sora no takai doko de umareta amatsubu ga
Boku no ashioto ni ochite ima hajikete kieteita

Nobody could expect such a silly result...
Same with me...
Yeah... we can never know in advance
what will happen in the future...
