Sun keeps shining on the pines
I'm feelin' alright.

The birds keep flying through the sky
And I'm feelin' alright.

As long as the sun keeps shining on the pines,
Well, Baby, lemme tell ya things are gonna be fine.

As long as the birds keep singing and a-wingin'
through the sky,
I'm feelin' alright.

If you wanna find me, I'll be sittin' by the sea,
Building castles in the sand.

Lying down playing with some starfish,
Smilin' with a bucket in my hand.

If you wanna find me,
I'm sittin' in the sand
I'm as happy as a clam - Yes I am!

'Long as the sun keeps shining on the pines,
Then, Baby, I'm feelin' alright.

There ain't nothin' gonna bring me down today,
As long as the sun keeps shining on the pines,

Shining on the sea,
And shining on me...

If there came an Armageddon shootin' down from the
heavens,
Spittin' white hot bullets from the sky,
If the whole wide world was dead and destructed,
Baby, you ain't gonna find a single tear in my eye.
'Cause everybody knows it, Baby, we're all gonna die
And it don't really matter how
And it don't matter why

For now, I've got you, Baby, by my side,
I'm feelin' alright.
For now, I've got you, Baby, by my side,
I'm feelin' alright.
For now, I've got you, Baby, by my side,
I'm feelin' alright.
For now, I've got you, Baby, by my side,
I'm feelin' alright.
For now, I've got you, Baby, by my side,
I'm feelin' alright...
