{ G } AT THIS MOMENT

{ piano intro } { E F# G# A D bridge }

{ G# A B C }re: { A-D NOT C-D }

What did you think I would do at this moment

When you're standing before me

With tears in your eyes

Trying to tell me that you have found you another
and you just don't love me no more

{ band joins in }

What did you think I would say at this moment

When I'm faced with the knowledge

That you just don't love me

Did you think I would curse you

Or say things to hurt you

'cause you just don't love me no more

Did you think I could hate you

Or raise my hands to you

Now come on you know me too well

How could I hurt you when darling I love you

and you know I'd never hurt you-oo-wo-oo-o-o-o...

What do you think I would give at this moment

If you'd stay I'd subtract twenty years from my life

I'd fall down on my knees

and kiss the ground that you walk on

If I could just hold you again

{ sax solo }

I'd fall down on my knees

and kiss the ground that you walk on baby

If I could just hold you { pause }

If I, could just hold you { pause }

If I { falsetto bit }

If I could just hold-hold you, again.....

{ band rejoins, nice finale }

{ END }
