Don't know
Don't know
I don't know
I don't know why

Don't know
I don't know
Don't know
I don't know

Me boy hits on me everyday
He say he love me so
And that he kiss and hug me to the light of day
All the loving and the feeling and the passion be gone
Me boy gone crazy and said goodbye
He sees me going and I, I'm tired of sitting down
Ain't got no time for telling me the reason how
Never let me know what I'd done wrong so I can make it right
So tell me why he left me so alone

Sit down my baby, there are loving so strong, obey
Slow me boy, don't make decisions when I'm burning, hey
I don't know why someone was telling him lies on me
Don't listen to 'em baby remeber you still have me

Don't know
I don't know
I don't know why
I don't know why
I don't know why

Everybody needs somebody so why did you let me go
Everybody needs some loving so why did you take me love
Everybody need a soul, a reason to live, to be
I had your loving but your loving is lost to me

I don't know, I don't know, I don't know why
I don't know, I don't know, I don't know why
I don't know, I don't know, I don't know why
I don't know, I don't know, I don't know why
I don't know, I don't know, I don't know why
I don't know, I don't know, I don't know why

Don't know
Don't know,
I don't know,
I don't know why
I don't know why
I don't know why
Oh, oh, oh, yei
