Blue moon of Kentucky, keep on shining  
Shine on the one that's gone and proved untrue  
Blue moon of Kentucky, keep on shining  
Shine on the one that's gone and left me blue

It was on the moonlight night  
The stars were shining bright  
When she whispered on high  
Your love has said goodbye

Blue moon of Kentucky keep on shining  
Shine on the one that's gone and said goodbye

It was on the moonlight night  
The stars were shining bright  
When she whispered on high  
Your love has said goodbye
