(The family who prays never shall part)  
Satan has parted fathers and mothers  
Filling their hearts with his envy and hate  
Hitting their pathway down to destruction  
Leaving their children like orphans to stray

The family who prays will never be parted  
Their circle in heaven unbroken shall stand  
God will say enter my good faithful servants  
The family who prays never shall part

Wars and tornadoes are taking our loved ones  
Leaving us tearful with sad aching hearts  
But we shall join them over the river  
Where the family who prays never shall part

The family who prays will never be parted  
Their circle in heaven unbroken shall stand  
God will say enter my good faithful servants  
The family who prays never shall part  
(Never shall part)
