(Dolly Parton - Dorothy Jo Hope)

Familiar sounds tell me it's morning
The night has been so dark and long
Each night without you just gets longer
While this torch I still carry just burns stronger.

I know I never will stop loving you
My tears just can't put out the flame
Or drown my hope of your returning
'Cause baby the fire's still burning.

--- Instrumental ---

Wherever you are I hope you're happy
Although your love for me has died
But if you ever need or want me
I'll take you back any time.

I know I never will stop loving you
My tears just can't put out the flame
Or drown my hope of your returning
'Cause baby the fire's still burning...
