Porter Wagoner
"Foggy Mountain Top"

If I was on some Foggy Mountain top
I'd sail away to the west
I'd sail around this whole wide world
To the one I love the best.

If I had listened to what my heart's missin'
I would not been this way
I'm wishin' the things that I'll never have
And weepin' my young life away.

If I was on some Foggy Mountain top
I'd sail away to the west
I'd sail around this whole wide world
To the one I love the best.

--- Instrumental ---

You caused me to weep, you caused me to cry
You caused to leave my home
Oh, those lonesome pines and those good old times
I'm on my way back home.

If I was on some Foggy Mountain top
I'd sail away to the west
I'd sail around this whole wide world
To the one I love the best.

Oh, when you see that pretty faced blonde
There's something you can tell her
To need not fool her time away
Tryin' to steal my feller.

If I was on some Foggy Mountain top
I'd sail away to the west
I'd sail around this whole wide world
To the one I love the best...
