(Good morning neighbor this gloomy day  
Let's go to church I'm on my way  
Gonna lose my sorrow and every care  
Good morning neighbor, I'll see you there.)

Now all I've got to wear in this old blue surge suit  
And boy it looks like a real hand me down  
But when I get my Bible under my arm and I head down  
the road  
Why I feel like I'm the Mayor of the town.

(Good morning neighbor ain't it a pretty day  
Let's go to church I'm on my way  
Gonna lose my sorrow and every care  
Good morning neighbor, I'll see you there.)

You see this old wrinkled hat why I keep it hangin' on a  
nail  
It's about the funniest looking hat that I've ever seen  
But when I get my Bible under my arm and I head down  
the road  
Why I feel just like a new crowned King.

(Good morning neighbor ain't it a pretty day  
Let's go to church I'm on my way  
Gonna lose my sorrow and every care  
Good morning neighbor, I'll see you there.)

--- Instrumental ---

Now I ain't got no money to give in Sunday school  
today  
I've looked under the rug and everywhere  
But when I get my Bible under my arm and I head down  
the road  
Why I feel just like a millionaire.

(Good morning neighbor, ain't it a pretty day  
Let's go to church, I'm on my way  
Gonna lose my sorrow and every care  
Good morning neighbor, well, I'll see you there...)
