Think I'll go across the ocean if I don't lose my notion  
I just got to forget you if I can  
Well I'm feelin' so blue I don't know what to do  
Because I'm head over heels in love with you.

Every day I'm sad and lonely cause I'm thinkin' of you  
only  
I just can't bear the thought of losin' you  
Well I'm feelin' so blue I don't know what to do  
Because I'm head over heels in love with you.

--- Instrumental ---

Yes, my nights are always dreary all I do is sit and  
worry  
I just can't bear the thought of losin' you  
Well I'm feelin' so blue I don't know what to do  
Because I'm head over heels in love with you.

Oh, I'd like to be forgiven but this life just ain't worth  
livin'  
If I had to sit and worry over you  
Well, I'm feelin' so blue I don't know what to do  
Because I'm head over heels in love with you.

Because I'm head over heels in love with you.  
Because I'm head over heels in love with you...
