Well, I finally got a job last Monday
I hadn't worked in a month to Sunday
And everything was gettin' hungry
But everything's alright now

So gather 'round all you children
Gather 'round all you children
Gather 'round all you children
'Cause I'm a gonna feed you now

Well, my horses're gettin' skinny
I'd've fed 'em if I hadn't any
But I didn't even have a penny
But I'm a gonna feed 'em now

'Cause I got a job last Monday
I hadn't worked in a month to Sunday
And everything was gettin' hungry
But everything's alright now

Well, the hogs started to gruntin'
And the old dogs started huntin'
And boy that's really somethin'
And I'm a gonna feed 'em now

So gather 'round all you children
Gather 'round all you children
Gather 'round all you children
'Cause I'm a gonna feed you now

Well, the hens they all stopped layin'
And the baby chicks started to strayin'
And the old rooster's even a prayin'
But I'm a gonna feed 'em now

Cause I got a job last Monday
I hadn't worked in a month to Sunday
And everything was gettin' hungry
But everything's alright now

So gather 'round all you children
Gather 'round all you children

Gather 'round all you children
'Cause I'm a gonna feed you now
