Tonight I'm alone without you my dear
Sut in my heart's a longin' for you still
All I have to do now is sit alone and pine
In our little cabin home on the hill.

Oh, someone has taken you from me
And left me here all alone
Just listen to the rain beat on my window pane
In our little cabin home on the hill.

--- Instrumental ---

I hope you were happy tonight as you are
But in my heart's a longin' for you still
But I'll just keep it there then I won't be alone
In our little cabin home on the hill.

Oh, someone has taken you from me
And left me here all alone
Just listen to the rain beat on my window pane
In our little cabin home on the hill...
