LONELY WITHOUT YOU

(Porter Wagoner)

© '74 Owepar Publishing

My life's not the same without you  
girl good times now  
for me are mighty few  
The blues treat me at each evening's sundown  
lonely lonely without you  
Darkness falls around me like a blanket  
as I search my mind and I wonder what to do  
Lonely sure is lonely with no loving  
my world sure is lonely without you  
Your leavin' turn the lights off in my world  
girl Your picture in my mind calls out your name  
Only you can stop this lonely feeling  
lonely without you to ease the pain  
Darkness falls around me...  
Lonely lonely lonely without you
