I'm sitting at the table where we used to sit
Thinking of love I knew would never last
Thought I heard the band start playing our favorite
song
But it's only lonely mem'ries from the past.

I'm all alone tonight seeing visions of you
I wish I knew how long this thing will last
I know I'll soon be leaving and I hope I will forget
All these lonely lonely mem'ries from the past.

The dance floor now is empty as I sit here all alone
And the time seems to go so very fast
I thought I heard you whisper I love you oh so much
But it's only lonely mem'ries from the past.

So I'm all alone tonight seeing visions of you
I wish I knew how long this thing will last
I know I'll soon be leaving and I hope I will forget
All these lonely lonely mem'ries from the past...
