ON THE REBOUND

WITH PAMELA ROSE GADD

(Charlie Craig - Larry Atwood)

I was going your way and it was plain to see you were
going mine

We were both searching for a way to leave some old
memories behind

Somebody broke my heart and I could tell somebody
let you down

We were two lonely people two lonely people on the
rebound

You cried on my shoulder for a while then we turned it
around

I told you about her I told you about him then we found
then we found

Just like the sun left yesterday and finally went down
The old love is gone and a new love was born on the
rebound

We were brought together each looking for an
understanding smile

Someone to just talk to and sit and reminisce for a
while

We picked up the places like scattered yesterdays on
the ground

Yes we found each other two lonely people on the
rebound

You cried on my shoulder...

The old love is gone and a new love was born on the
rebound
