Once I thought your love I'd win
But your ole flame showed up in town again
Now I know your love I'll lose
I've got a one way ticket to the blues.

I've got a one way ticket to a world that's filled with
tears
All my dreams and hopes are gone we built up through
the years
Seems I can't win I always lose
I've got a one way ticket to the blues.

--- Instrumental ---

I tried to find somebody new
But in my heart there's only room for you
You gave me something I can't lose
I've got a one way ticket to the blues.

I've got a one way ticket to a world that's filled with
tears
All my dreams and hopes are gone we built up through
the years
Seems I can't win I always lose
I've got a one way ticket to the blues...
