

Porter Wagoner "Out Of Sight Out Of Mind"

Love left behind is forgotten
As a new way of life fills your mind.

You left me and went to the city
Each letter from you is overdue
New friends and new sights in the city
Must have taken my place with you.

Out of sight out of mind
That's the story as old as the pages of time
Love left behind is forgotten
As a new way of life fills your mind.

The same stars that shine down upon me
May be shining on you somewhere tonight
Unless the bright lights of the city
Have blooded their luster from your side.

Out of sight out of mind
That's the story as old as the pages of time
Love left behind is forgotten
As a new way of life fills your mind...
