Put it off until tomorrow, oh, oh, you've hurt me enough  
today

You say, our love is over that you have found another  
And you say you're going away

Leave me tomorrow, oh, oh, you've hurt me enough  
today

You've hurt me enough today, I can't believe the words  
you say

But I must accept the fact, you won't be coming back  
Oh, stay, stay, just one more day, loneliness isn't far  
away

Put it off until tomorrow, oh, oh, you've hurt me enough  
today

Put it off until tomorrow, oh, oh, you've hurt me enough  
today
