Run that by me one more time to make sure that I  
heard you right  
I hope you don't expect me to believe that line  
I might be crazy but I ain't dumb and I know a lie when I  
hear one  
Would you run that by me one more time

Well you're late again I see what's your excuse this  
time  
Don't try to kiss and make up when you smell so strong  
from wine  
Well I'm not late the clock is wrong you need to wind  
Big Ben  
Honey that's not wine you smell that's aftershave for  
men  
Would you run that by me one more time  
Run that by me one more time...  
[ el.banjo ]  
What happened to the money I gave you to pay the rent  
The rent is overdue and we ain't got one red cent  
Well I put it in the cookie jar that day you brought it  
home  
One day when I come back from town  
I'll be dogged if that money wasn't gone  
Ha ha would you run that by me one more time  
Run that by me one more time...

You keep drinkin' that aftershave it's gonna kill you if  
I'm lucky  
You spent that money didn't you  
I didn't spend it I oughta box your jaws  
Oh you'd hit your mom before you hit me  
Would you run that by me one more time run that by  
me one more time  
I don't want to run that by you one more time  
Shot your mouth I don't have to you ain't my pa
