Seeing you only reminded me of you.

A girl walked by don't know her name
Caught my eye but I'm not to blame
Seeing you only reminded me of you.

Carried me back to old memories
Carried me back to what used to be
Seeing you only reminded me of you.

I went to my room, oh, how I cried
Found memories that I thought that I'd died
Seeing you only reminded me of you.

I went to my room, oh, how I cried
Found memories that I thought that I'd died
Seeing you only reminded me of you.

A girl walked by don't know her name
Caught my eye but I'm not to blame
Seeing you only reminded me of you.

Carried me back to old memories
Carried me back to what used to be
Seeing you only reminded me of you.

I went to my room, oh, how I cried
Found memories that I thought that I'd died
Seeing you only reminded me of you...
