Talk back trembling lips
Shaky legs don't just stand there
Don't let him know
That he's gettin' through to you.

Talk back trembling lips
Burning eyes don't start crying
Heart don't let him know
That you're breaking in two.

Everyday our love's a battle royal
Dear, it seems that fighting is all we do
But if I let you know how much I love you
You'll do things to me you shouldn't do.

So talk back trembling lips
Shaky legs don't just stand there
Don't let him know
That he's gettin' through to you.

Talk back trembling lips
Burning eyes don't start crying
Heart don't let him know
That you're breaking in two.

Talk back trembling lips

Don't let him know
That he's gettin' through to you.

Talk back trembling lips
Burning eyes don't start crying
Heart don't let him know
That you're breaking in two...
