Take me back try me one more time
Yes, I know I've been untrue and I've hurt you through
and through
But please have a mercy on this heart of mine
Take me back, try me one more time

If my darling you could see
Just what your leavin's done to me
You'd know that love is still the tie that binds
Take me back, try me one more time

In my dreams I see your face it seems
There's someone in my place
But does he knows that you were once just mine
Take me back, try me one more time

If you'll just forgive me now
I'll make it up to you somehow
I'll promise never again to be unkind
Take me back, try me one more time
