Here I am where I know I shouldn't be a lettin' pretty
girls make a fool out of me
Spendin' money I know I shouldn't spend walk on fool
make the circle again
Hard luck seem to be my covery when they sail the
ocen give all hope on me
Guess I'll never mount to anything walk on fool make
the circle again

Well Batman he said there's a fool born every day
And I'm just tryin' to help things work his way
Doing things I know's a sin walk on fool make the circle
again
Hard luck seem to be...
[el.banjo - fiddle]
Well the undertaker is followin' me around
Tryin' to measure me up for the day I stumble down
Guess I'll go but I don't know just when so walk on fool
make the circle again
Hard luck seem to be...
Walk on fool make the circle again
