If anyone could find the joy true love brings a girl and  
boy  
We could, we could you and I  
If anyone could ever say that their true love was here to  
stay  
We could we could you and I.

When I'm in your arms you know I'm happy to be there  
Just as long as I'm with you I'm happy anywhere  
If anyone could pray each night and thank the Lord that  
all is right  
We could we could you and I.

If anyone could pray each night and thank the Lord that
