(Mack Magaha)

We'll get ahead someday  
We'll get ahead someday  
If the sun comes up and we both cut down  
We'll get ahead someday.

Well, I get up early, work hard all day  
Listen to the troubles of my friends  
But I don't realize till I get home  
Whan an awful shape we're in.

The car's wore out, kids need shoes  
Got a bill from a doctor today  
The landlord said you'll get out tomorrow  
If you don't get me some pay.

We'll get ahead someday  
We'll get ahead someday  
If the sun comes up and we both cut down  
We'll get ahead someday.

--- Instrumental ---

The paper says there's a sale downtown  
I gotta have some money today  
Well, there's things at home that ain't never been used  
You bought last bargain day.

Well, you go out one Saturday night  
Just spend too much money on wine  
Well, I work hard all week long  
And I gotta have a little fun sometimes.

We'll get ahead someday  
We'll get ahead someday  
If the sun comes up and we both cut down  
We'll get ahead someday.

If the sun comes up and my wife cuts down  
We'll get ahead someday...
