Once I stood in the night with my head bowed low
In the darkness as black as could be
In my heart felt alone and I cried
"Oh Lord, don't hide Your face from me"

Hold my hand all the way every hour
Everyday from here to the great unknown
Take my hand let me stand
Where no one stands alone

Like a king I may live here in a palace
So tall with great great riches to call my own
But Lord, hold my hand 'cause I don't know a thing
In this whole wide world that's worse than being all
alone

Hold my hand all the way every hour
Everyday from here to the great unknown
Take my hand let me stand
Where no one stands alone
