You can't change the daylight to dark and you can't
make a heel toe the mark
I warned you not to give your love to me I knew that I
would only break your heart
I'm the kind you just can't ever change cause you can't
make a heel toe the mark
You can't stop time from rollin' on you can't keep a man
from goin' wrong
You can't change the daylight to dark and you can't
make a heel toe the mark
[el.banjo - fiddle]
A leopard can never change its spots the big tiger
would never change its stripes
A hound dog would never change its bark and you
can't make a heel toe the mark
You can't stop time...
No you can't make a heel toe the mark
