Your Old Love Letters
(Johnny Bond)

Today I burned your old love letters
I burned them slowly one by one
Before I'd light the flame I'd read them
To try and find the wrong I done.

The first you wrote me was the sweetest
The last one broke my heart in two
And all alone I left you weeping
For the ashes of your letters tied in blue...

--- Instrumental ---

I Thought I Heard You Calling My Name
(Lee Emerson)

You said goodbye to me this morning
With only these words to explain
You said you've found someone you love better
But I still hear your voice call my name.

I thought I heard you calling my name
Funny I still feel this way
Your voice seemed so close but I knew that by now
You were many miles away...

--- Instrumental ---

One Way Ticket to the Blues
(Jimmie Dallas)

Once I thought your love I'd win
But your old flame showed up in town again
Now I know your love I'd lose
I've got a one way ticket to the blues.

I've got a one way ticket
To a world that's filled with tears
All my dreams and hopes are gone

We built up through the years.

Seems I can't win I always lose
I've got a one way ticket to the blues...
