Fun for me

I dreamt that I was dreaming, I was wired to a clock,  
Tickled by the minute hand tick tock tick tock,  
I dream I'm on a train and it is making music,  
I don't remember getting on clickity click clickity click,  
I dreamt that I was very tall, I was bigger than King  
Kong,  
I heard the bells the bells a'ringing a'ding dong ding  
dong,  
I dreamt that I was sitting in the devil's company,  
He gave a solemn promise fe fi fi fun for me,  
I dreamt that I was chasing the monster out of me,  
I caught him in the corner ha ha hee hee hee,  
I dream I'm in a tunnel between here and now,  
Scooby do-be where would you be bow wow wow wow,  
I dream I'm at a crossroads no place left to go,  
I look in each direction eenie meanie miny mo,  
I dream I am an ostrich head deep in the sand,  
There is a rhythm that's a playing fantastic elastic  
band,  
I dreamt that the bogeyman went down on Mr Spock  
Sugar was a flowing sock it to 'em sock  
I dreamt I saw a moo cow jump across the moon  
Just a flight of fantasy zoom zoom zoom  
I dreamt I met a spaceman he took me to his ship,  
You know he cut my hair off snip snip snip  
I dreamt that I was sleeping asleep for heaven's sake  
The dream that I was dreaming caused me to awake  
I dreamt that I was way up I was standing on the top  
With the feeling I was falling bop beep bop  
I dreamt that I was jumping in a circus through a hoop,  
Someone saw the lights off shoo-be-doop  
I dreamt that I was fast I was never shutting up,  
I was going in a hurry I was giddy-up giddy-up  
I dream I'm in the park I'm standing in the nudey,  
I was getting what I wanted tootie fruity tootie fruity,  
I dreamt that I was dreaming, I was wired to a clock,  
Tickled by the minute hand tick tock tick tock,  
I dream I'm on a train and it is making music,  
I don't remember getting on clickity click clickity click,  
I dreamt that I was very tall, I was bigger than King  
Kong,

I heard the bells the bells a'ringing a'ding dong ding  
dong,  
I dream I am an astrich head deep in the sand,  
There is a rhythm that's a playing fantastic elastic  
band,  
Fe fi fi fun for me.
