I'm so tired of playing
Playing with this bow and arrow
Gonna give my heart away
Leave it to the other girls to play
For I've been a temptress too long

Hmm just
Give me a reason to love you
Give me a reason to be
A woman
I just wanna be a woman

From this time, unchained
Were all looking at a different picture
Through this new frame of mind
A thousand flowers could bloom
Move over, and give us some room

Yeah
Give me a reason to love you
Give me a reason to be
A woman
I just want to be a woman

So don't you stop being a man
Just take a little look
From our side when you can
Sow a little tenderness
No matter if you cry

Give me a reason to love you
Give me a reason to be
A woman
It's all I wanna be is all woman

For this is the beginning
Of forever and ever
It's time to move over
So I want to be

I'm so tired of playing
Playing with this bow and arrow

Gonna give my heart away
Leave it to the other girls to play
For I've been a temptress too long

Hmm just
Give me a reason to love you
