I'm so tired of playing
Playin' with this bow and arrow
I gonna give my heart away
Leave it to the other girls to play
For I've been a temptress too long

Just give me a reason to love you
Give me a reason to be a woman
I just wanna be a woman

From this time unchained
We're all lookin' at a different picture
Through this new frame of mind
A thousand flowers could bloom
Move over and give us some room, yea

Give me a reason to love you
Give me a reason to be a woman
I just wanna be a woman
So don't you stop, being a man
Just take a little look
From our side when you can
Show a little tenderness
No matter if you cry

Give me a reason to love you
Give me a reason to be a woman
I just wanna be a woman
'Cause it's all I wanna be is all a woman, yea

For this is the beginning of forever and ever
Its time to move over
So tired of playing

So tired of playing
Playin' with this bow and arrow
I gonna give my heart away
Leave it to the other girls, to play
For I've been a temptress too long

Just give me a reason to love you
Give me a reason to be
