How can I believe this miracle Where the wind blows dry Thru the force of a man Undenied by his eye

You abandoned me How I suffer Ridicule breathes a sigh You abandoned me Lost forever Hush, can you hear.....

Enter and rejoice this pedestal Where the rainbows hide

Your destiny Mystery of all time

No time make or reason Ridicule breathes a sigh No time make or reason Hush, hear him cry....

[INSTRUMENTAL]

No time, make or reason No time, make or reason No time, make or reason
