Gotta be the wrong way to love, the way I love you baby  
It's gotta be the wrong way to lo-ove  
The way I love you now, oh

It's got me walkin' in the stree-eet  
It's got me cryin' in my sleep  
I don't know what's goin' on  
All I know is somethin's wrong now, hey yeah

Gotta be the wrong way to love, the way I love you  
baby, oh  
It's gotta be the wrong way to lo-ove  
The way I love you now, yeah

I was gone too lo-ong  
Yeah, I was hurryin' home  
I couldn't wait to see my baby's face  
But I found someone in my place now, oh yeah

It's gotta be the wrong way to love, the way I love you  
baby  
Gotta be the wrong way to love now  
The way I love you now, heee...

Used to be, you and me, endlessly, tenderly  
But somethin's gone, I can't go on  
It's easy to see I should set you free...  
But I can't help myself

Gotta be the wrong way to love, the way I love you  
baby, oh  
It's gotta be the wrong way to lo-ove, the way I love you-  
ou-ou...  
It's gotta be wrong, gotta be wrong, it's gotta be wrong

It's wrong baby, yeah, the way I love you baby, don't  
you know  
It's gotta be the wrong way to love, the way I love you  
baby

I'm tryin' to tell you now, just tryin' to let you know

I guess I'm just a restless sou-oul, baby  
Gotta keep on movin' on, yeah, oh  
I said baby, baby, baby, baby  
Ooh, baby, baby, baby, baby, Ow  
Baby, baby, baby, baby, yeah, oohh...  
Baby, baby, baby, baby, Ow  
Every time I think about it I know \*\*"Hit After Hit"  
version fades and ends here  
I know it's wrong but the feelin's too strong  
I stayed too long when I should have been gone  
Every time I find someo
