Ooooh, It just's a soul kinda feelin' I'm in (yeah)  
I'm movin' with the beat  
It's just a soul kinda feelin' I'm in (yeah)  
A-soundin' kinda sweet

Not talkin' 'bout religion, no  
Not talkin' 'bout fashion, no  
Not talkin' 'bout money, no  
Not talkin' 'bout fight, from the right

It's just a soul kinda feelin' I'm in  
A-movin' with the beat  
It's just a soul kinda feelin' I'm in  
A-soundin' kinda sweet

I'm talkin' 'bout my girl - standin' by me  
Darlin' you're seein' me  
I'm feelin' alright - day and night

You might be sittin' alone in your room  
Or at a party with people you don't know  
Ah then you hear a familiar tune  
And you know-ow that ver-ery soon  
You'll be movin' - movin', movin' on your own

Ooh, it's a whole kinda feelin' your in  
A-movin' with the beat  
It's just a soul kinda feelin' I'm in (yeah)  
A-soundin' kinda sweet  
Alright, it might take you higher  
It might take you higher  
It might take you higher - higher - higher-er

A soul kinda feelin' I'm in (yeah)  
I'm movin' with the beat  
It's just a soul kinda feelin' I'm in (yeah)  
A-soundin' kinda sweet

A-movin' with the beat, ooh, come on  
A-movin' with the beat, yeah, alright  
A-movin' with the beat, everybody now

A-movin' with the beat, A-movin' with the beat  
A-movin' with the beat, A-movin' with the beat - well,  
well, well

Can you feel it baby, Don't it feel alright now  
Feel it in your soul, baby  
A feel it in your sou-ou-ou-ou-oul  
I'm talkin' 'bout it, bea-ea-ea-ea-ea-eat  
Yeah-yeah-ye
