Girls and boys!

He only knew her 4 a little while,
But he had grown accustomed 2 her style
She had the cutest ass he'd ever seen
He did 2, they were meant 2 be
They loved 2 kiss on the steps of versailles
It looked like rain, mama, birds do fly
I love u baby, I love u so much,
Maybe we can stay in touch
Meet me in another world, space and joy,
Vous etes tres belle, mama, girls and boys

He gave her all the love that anyone can,
But she was promised 2 another man
He tried so hard not 2 go insane
Birds do fly, looks like rain
I love u baby, I love u so much,
Maybe we can stay in touch
Meet me in another world, space and joy,
Vous etes tres belle, mama, girls and boys

Life is precious baby, love is so rare
I can take the breakup if u say that u care
He had 2 run away, his pride was 2 strong
It started raining, baby, the birds were gone
(I love u baby, I love u so much)
Maybe (maybe we can stay in touch)
Meet me in another world (meet me in another world,
Space and joy)
Vous etes tres belle (vous etes tres belle, mama)
Girls and boys (girls and boys)

(I love u baby, I love u so much)
I want u, babe (maybe we can stay in touch)
Maybe we can play today (meet me in another world,
Space and joy)
Vous etes tres belle (vous etes tres belle, mama)
Girls and boys (girls and boys)
