A boy once was frozen
All guarded and closed in
Before he had chosen
A beauty to behold

The cream of creation
A red wine sensation
The power of persuasion
Personified and whole

We will not get younger
But we won't wait around 'til we die
'Cos she's got twenty questions
And so do I

The first time I passed her
The second I asked her
The third wish will last her
For long enough to know

The cream of creation
A red wine sensation
The power of persuasion
Personified and whole

We will not get younger
But we won't wait around 'til we die
'Cos she's got twenty questions
And so do I

So onward and upward
Ascent of the unheard
I search for enough words
To thankfully extol

The cream of creation
A red wine sensation
The power of persuasion
Personified and whole

We will not get younger
But we won't wait around 'til we die

?Cos she's got twenty questions
And so do I

We will not get younger
But we won't wait around ?til we die
?Cos she's got twenty questions
And so do I

So do I
So do I
So do I
