Paint me lifeless gray  
For I have lost a friend today  
To desperate selfishness  
And so I will regress

To something more disturbing  
Than all my words can say  
Black and white can not explain  
So paint me lifeless gray

Paint me darkest black  
Tightened rope will never slack  
To free the chosen few  
Or change my charcoal hue

I may be color-coated  
But that won't hide the fact  
That under shades of lifeless gray  
I'm painted darkest black

It's just about that time of year  
When we will lose somebody dear  
Is that a funeral march I hear?  
It's just about that time of year

Paint me burning red  
All the things he did and said  
And now I feel ashamed  
I thought it was a game

I will not rationalize  
Or justify the dead  
I only want to free myself  
From all this burning red

It's just about that time of year  
When we will lose somebody dear  
Is that a funeral march I hear?  
It's just about that time of year

Paint me, paint me
