Tough at the top  
Tough at the bottom  
Hard to survive  
In a world of destruction  
Tough when you're young  
Beating a system for justice  
Open your eyes  
It's pure devastation it is this

Tough at the top  
Tough at the bottom  
Hard to survive  
In a world of destruction  
Tough when you're young  
Beating a system for justice  
Open your eyes  
It's pure devastation it is this

Once I had a dream  
We were young and once invincible  
Once I had a dream  
Love from all cares  
Once I had a dream  
I was strong and took no arrogance  
Once I had a dream  
I just wish I could move you somewhere

It's tough at the top,  
Tough at the bottom  
Hard to survive  
In a world of destruction  
Tough when you're young  
Beating a system for justice  
Open your eyes  
It's pure devastation it is this

Ho-oh,  
I was looking over my shoulder  
Ho-oh,  
And I would always take behind  
Ho-oh,

And I was looking over, was looking over  
Ho-oh,  
Too many people wanna bury your mind

It's tough at the top

Tough at the bottom  
Hard to survive  
In a world of destruction  
Tough when you're young  
Beating a system for justice  
Open your eyes  
It's pure devastation it is this

If you know, ladies and gentlemen,  
It is time for us to present to you something that we  
Feel strongly about.

Once I had a dream  
We were young and once invincible  
Once I had a dream  
Love from all cares  
Once I had a dream  
I was strong and took no arrogance  
Once I had a dream  
I just wish I could move you somewhere

Tough at the top  
Tough at the bottom  
Hard to survive  
In a world of destruction  
Tough when you're young  
Beating a system for justice  
Open your eyes  
It's pure devastation it is this

So tough,  
It's so tough,  
He's so tough  
So tough

Tough at the top  
Tough at the bottom  
Hard to survive  
In a world of destruction  
Tough when you're young  
Beating a system for justice  
Open your eyes  
It's pure devastation it is this

So tough!
