My sister is a low rider
My sister is a low rider
My sister is a low rider
My sister is a low rider

Please don't kick my ass once more I understood
you're
Bad

She wears a leather jacket
And rides a giant chopper
I'd like to be like her
But I'm a jerk

My sister is a low rider
My sister is a low rider
My sister is a low rider
My sister is a low rider

Please don't kick my ass once more I understood
you're
Bad

She drove across the country
While I scratch my own fucking feet
I'd like to be like her
But I'm a jerk
